Room: Meet at Door 4

Breakfast on your own

8:00am – 6:00 pmOil Development and Water Needs Field Trip – Gather at **Door 4** to Depart

Our first tour stop will be the Baker-Hughes facility in Dickinson where company representatives will describe the fracking process with onsite equipment demonstration. Our next stop will be the Target Logistics Worker Camp just north of Dickinson. We'll continue north into the heart of oil country where we'll visit the town of Killdeer and make a stop near the one of EPA's 5 selected sites across the country for their ongoing FRACKING study. We'll continue through the beautiful Little Missouri River Valley and witness a active hydraulic fracturing operation. Along the route we'll be making a stop at an active drilling site with a description of the process by a company representative. Stops are also planned at an active water sales depot and a salt water disposal well. Snacks and a Lunch will be provided along the route and a planned return to the Ramkota Hotel by 6:00 PM.
